

# MUSKAAN SHARMA

Officer of the Watch | 2nd Mate CoC (Foreign Going) | Containership Specialist | Available January 2027 | muskaan.sharma14042002@gmail.com | +91 7069253001 (WhatsApp) | EU: +33 745644541 | INDoS: 21NM0652 | Paris, France

## PROFESSIONAL PROFILE

Results-driven Deck Officer (OOW) with a strong track record across five international containership postings under Seaspan Ship Management (Vancouver, Canada) and Maersk. Recognised for leadership under pressure, zero-deficiency PSC compliance, and the ability to manage complex safety systems and multicultural crews. Certified Muster List officer and Passenger Familiarisation / Crowd and Crisis Management holder.

## SEA SERVICE

### 3rd Officer, Officer of the Watch Seaspan Dubai, GRT 39,941

Jul 2026 - Present

Seaspan Ship Management Ltd., Vancouver, Canada

- Promoted to Officer of the Watch ahead of peers; holds 2nd Mate CoC (Foreign Going), certified one full rank above current sailing position - demonstrating accelerated professional development
- Designated Muster List officer for crew of 22: sole authority for fire, flooding and abandon-ship response coordination; independently designs, briefs and leads monthly emergency drills across all stations, adapting scenarios to crew competency levels
- Sole bridge watchkeeper on 4-hour independent watches through Singapore Strait TSS and South China Sea - among the world's most congested waterways; makes real-time collision avoidance decisions at the command level
- LSA and FFA compliance owner: manages full SOLAS certification cycle for all lifeboats, rescue boats, fire suppression systems and immersion suits; achieved zero deficiencies across every Port State Control inspection
- Cargo and stability: supports Chief Officer on stowage planning, ballast exchange, GM calculations and cargo damage assessment for 2,700 TEU vessel; produces formal stability reports
- Bridge administration: maintains Admiralty Charts, NtM correction cycles, ECDIS route database and all navigational publications; responsible for full bridge documentation audit trail

### 3rd Officer, Officer of the Watch Seaspan Sydney, GRT 39,941

Jan 2026 - Apr 2026

Seaspan Ship Management Ltd., Vancouver, Canada

- Conducted independent OOW watches; managed COLREGS compliance, ECDIS passage planning and TSS navigation in high-density traffic environments
- Led emergency preparedness as drill coordinator; sustained zero PSC deficiencies across all safety and lifesaving equipment throughout the contract

### Navigational Officer Trainee (OOW Programme) Maersk Gibraltar, GRT 113,042

Jun 2024 - Oct 2024

Maersk Line - Ultra-large containership, structured STCW OOW certification programme

- Completed advanced bridge watchkeeping training under Master's supervision on one of the world's largest containership classes; independently operated ECDIS (Maris and Furuno) and ARPA systems
- Supported ISM Code internal audit preparations: reviewed SMS documentation, identified and reported procedural gaps, contributing directly to audit readiness - a core Bureau Veritas and classification society competency
- Managed cargo securing operations and participated in PSC inspection readiness across all safety systems

### Navigational Officer Trainee (OOW Programme) Maersk Genoa, GRT 113,042

Jul 2022 - Mar 2023

Maersk Line - Ultra-large containership, STCW OOW certification programme

- Operated ECDIS, Radar, AIS and VDR across full ocean passages and port approaches; maintained bridge logs and navigational records to full flag state standard
- Managed deck machinery operations including cargo cranes, mooring winches and rescue boat davits; assisted in LSA maintenance and emergency drill execution

### Navigational Officer Trainee (OOW Programme) Seaspan Empire, GRT 54,940

Jul 2023 - Feb 2024

Seaspan Ship Management Ltd., Vancouver, Canada - STCW OOW certification programme

- Conducted passage planning, voyage execution support and LSA maintenance under Chief Officer supervision; completed all STCW watchkeeping service requirements
- Led emergency preparedness activities and maintained safety equipment records as part of structured officer certification pathway
